

## MY BEST FRIEND

Evolution says we came from nothing, when it come together it exploded and bang, there was earth. I believe in the Big bang. God said it, bang, there it was. It is true that we were made from the dust of the earth but God breathed in man the breath of life An inanimate object cannot give eternal life. We are going to talk about friendship. The greatest example of friendship is Jesus, He left the splendors of heaven and took on the form of man; to show people the ways of God. For God is love. Jesus paid the ransom so we might spend eternity with Jesus in heaven. You see the first man Adam and his wife Eve sold out to the devil by disobedience to God. They ate of the tree of good and evil and sin entered. They knew that they were naked, so they sewed fig leaves together to cover their nakedness. God said, "who told you that you were naked? Have you eaten of the tree of good and evil?" That is how wickedness began. God took animal skins and covered them. You can read this in Genesis 1-3. We are born in sin and shaped in iniquity. Jesus loved us so much that He was willing to pay the price of our redemption. He bore every sin at Calvary Those who don't ask for forgiveness in faith before the judgment day will pay the penalty of their own sins. What other person would ever consider to do this for every person ever born? If this is all that He ever did for us we'd be blessed. But, Jesus will come into your heart and abide with you. He speaks to our heart and heals our bodies. He is so much more. Jesus gives us peace, John 16:33 states that He will give us peace, in the world you will have tribulation, but be of good cheer I have overcome the world. He gives us power to overcome whatever comes against us. God is not a genie. You don't snap your fingers and order Him around. He is almighty God. We reverence and worship Him in Love. How can anyone say no to Jesus? His love is so great and He is faithful.
