

G.L.O. Outserts

We have more papers by the Newsletters that are designed to keep everyone up to date? They are as follows...

Calendar / Ongoing Prayer Request / Personal Information / Sermon and daily notes

Calendar - We have the calendar so that you can keep a calendar separated from the newsletter. That way you can keep up with upcoming dates, like birthdays, anniversaries, and other church events. On the back of the calendar we have an Ongoing Prayer Request.

Ongoing Prayer Request - This is a general prayer that we ask for everyone to keep in mind when they go to pray. Remember to pray without ceasing. **1Th 5:17** and to try to keep all of our prayers going.

Personal Information - This is a form that we ask all of our members to use to keep us up to date on any changes that you have. If you move, change phone numbers, or anything like that, we would like an updated personal information form. That way we can get a hold of you in case of any changes or differences in plans.

Prayer Request form - This form will help our members to remember the prayer request that have been requested by our family members, and/or our friends. This will be a form we can fill out and place into the prayer box. The prayer box is prayed over at the end of every service.

Sermon and daily notes - This sheet will be set for anyone that would like to take notes on the sermon or other discussions going on during the church service. Remember to let us know, if you have any questions or suggestions about these or any new forms we have. We are all a family for God.

Don't forget that tonight is [3rd Sunday Singing](#).
